Estimates of State Domestic Product
1960-61 to 1982-83

June, 1984

Government of India
Ministry of Planning
Department of Statistics
Central Statistical Organisation

Acc. No. 115032

P R E F A C E

The estimates of State income i.e. net state domestic product at factor cost are being compiled and published by the State Statistical Bureaus/Directorates of Economics & Statistics on a regular basis since 1960-61. These estimates for all the States are, however, not available for all the years at one place. There have been persistent requests from different users like planners and policy makers, research workers and institutions for estimates of state domestic product by industry and per capita to formulate plans, evolve policies, measure the benefits accruing from the plan schemes, regional disparities etc.

2. In order to meet the above needs, the Central Statistical Organisation has decided to bring out the above information in the form of a Brochure on a regular basis. The present publication is the first issue of the Brochure. It presents the estimates of net state domestic product at factor cost by industry of origin from 1960-61 to 1982-83 as made available to CSO by the respective State Governments upto 30th April, 1984. Part I contains summary tables relating to total and per capita net state domestic product at current and constant prices. Part II presents detailed statements of net state domestic product at factor cost by industry of origin at current and constant prices for each State and Union Territory preparing and releasing such estimates.

3. The Brochure has been prepared in the National Accounts Division under the guidance of Shri Jagdish Kumar, Additional Director. I would like to place on record my appreciation of the efforts put in by the officers and staff of the State Income Unit of the National Accounts Division and in particular Shri R.P. Katyal, Officer on Special Duty, Smt. I.P. Kurup, Assistant Director and S/Shri R.C. Dhir and Haridas, Sr. Computers. I would also like to thank the Directors of

State Statistical Bureaus for their cooperation and promptness in making available their latest State Income estimates.

4. Comments and suggestions for improvement from the users will be welcome.

(K.C. Seal)

Tables and Statements	1-146

PART - I

SUMMARY TABLES

1. Net State Domestic Product at Factor Cost by Industry of Origin of various States at Current Prices, 1960-61 to 1969-70	2
2. Net State Domestic Product at Factor Cost by Industry of Origin of various States at Constant (1960-61) Prices, 1960-61 to 1969-70.	3
3. Per Capita Net Domestic Product at Current Prices, 1960-61 to 1969-70	4
4. Per Capita Net Domestic Product at Constant (1960-61) Prices, 1960-61 to 1969-70	5
5. Net State Domestic Product at Factor Cost by Industry of Origin of various States at Current Prices, 1970-71 to 1982-83.	6
6. Net State Domestic Product at Factor Cost by Industry of Origin of various States at Constant (1970-71) Prices, 1970-71 to 1982-83	8
7. Per Capita Net Domestic Product at Current Prices, 1970-71 to 1982-83.	10
8. Per Capita Net Domestic Product at Constant (1970-71) Prices, 1970-71 to 1982-83.	12

PART - II

DETAILED STATEMENTS

ANDHRA PRADESH

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70.	16
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1960-61 to 1969-70.	17

3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 18
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 20

ASSAM

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 22
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1948-49) Prices, 1960-61 to 1969-70. 23
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 24
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 26

BIHAR

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 28
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 29
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 30
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 32

GUJARAT

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 34
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 35

3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 36
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 38

HARYANA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 40
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 41
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 42
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 44

HIMACHAL PRADESH

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1967-68 to 1969-70. 46
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1967-68 to 1969-70. 47
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 48
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 50

JAMMU & KASHMIR

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 52
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 53

3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 54
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 56

KARNATAKA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 58
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 59
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 60
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 62

KERALA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 64
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 65
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 66
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 68

MADHYA PRADESH

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 70
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1960-61 to 1969-70. 71

3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 72
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 74

MAHARASHTRA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 76
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 77
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 78
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 80

MANIPUR

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 82
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 83
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 84
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 86

MEGHALAYA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1973-74. 89

ORISSA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 90

2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1960-61 to 1969-70. 91
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 92
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 94

PUNJAB

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 96
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 97
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 98
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 100

RAJASTHAN

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 102
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 103
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 104
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 106

TAMIL NADU

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 108

2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 109
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 110
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 112

TRIPURA

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 114
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 115
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1979-80. 116
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1979-80. 118

UTTAR PRADESH

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 120
2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1960-61 to 1969-70. 121
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1982-83. 122
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1982-83. 124

WEST BENGAL

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1960-61 to 1969-70. 126

2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1960-61) Prices, 1960-61 to 1969-70. 127
3. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1981-82. 128
4. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1981-82. 130

ARUNACHAL PRADESH

1. Net State Domestic Product at Factor Cost by Industry of Origin at Current Prices, 1970-71 to 1973-74. 133

DELHI

2. Net State Domestic Product at Factor Cost by Industry of Origin at Constant (1970-71) Prices, 1970-71 to 1980-81. 146

I N T R O D U C T I O N

The estimates of State Income i.e. net state domestic product at factor cost are regarded as the most important single economic indicator to measure the economic development of a State. The per capita state domestic product (SDP) is used to determine both the absolute and relative performance of the economy of the State. It is regarded as an important tool to measure regional disparities. The indicator of per capita state income is now frequently used in this country by policy makers like the Planning Commission and Finance Commission for allocation of a part of plan resources and distribution of proceeds of union excise duties and additional excise duties to different States.

2. The work on state income estimation started in Bihar, Uttar Pradesh and West Bengal around 1948-49. In January, 1950 the first estimates of income for the erstwhile State of Bombay for the year 1948-49 were published. Subsequently, with the publication of the first and final reports of the National Income Committee in 1951 and 1954 respectively, the state income estimation got further impetus. More and more States took up the work of state income broadly following the methodology adopted by the National Income Committee at the national level. At present all the States (except Meghalaya, Nagaland and Sikkim) and Union Territories of Delhi, Goa, Daman & Diu and Pondicherry are regularly preparing the estimates of state income at current and constant prices. However, Meghalaya has prepared these estimates for the year 1973-74 and 1978-79 onwards and Arunachal Pradesh for the years 1970-71 to 1973-74 at current prices only. The estimates of state domestic product are now prepared broadly following the standard methodology recommended by the Working Group on State Income which was set up by the CSO in 1957 consequent upon the recommendations of the Fifth Joint Conference of Central and State Statisticians held in Jaipur in 1956 and the Preliminary Conference on Research in National Income in 1957 that all States should make every effort to prepare

estimates of state income. These were further supplemented by the recommendations by the Regional Accounts Committee (RAC) in its Final Report in 1970. The estimates based on the standard methodology as prepared by respective State governments are now available from 1960-61 onwards and the available estimates for various States and Union Territories are presented in this publication.

3. The Working Group on State Income set up by the CSO was to formulate standard concepts, definitions and methods of estimation. The composition of the Working Group comprised representatives drawn from CSO, State Statistical Bureaus (SSBs), Indian Statistical Institute, Reserve Bank of India (RBI), Planning Commission and Ministry of Finance. While laying down the procedures, the Working Group was expected to take into account the nature of available statistics in individual States. The Working Group was also expected to undertake technical examination of the estimates of state income prepared by the SSBs from time to time and make recommendations on the important gaps in statistics which could be filled up for the improvement of such estimates. This Working Group functioned from 1957 to 1980 and held number of meetings from time to time. The development of state income has been mainly guided by the deliberations of this Group. The Group examined the estimates prepared by most of the States and made detailed suggestions for improving the estimates and achieving inter-State comparability. The Group made recommendations for initiation of Farm Management Studies for improvement of data on input structure of the agriculture sector and collection of 'basic data in sectors like, unregistered manufacturing, construction trade, transport by other means (other than railways) and other services. The Group laid down standard methodologies for estimation of income in different sectors. This Group was replaced by the Technical Working Group for Improvement of Data Base for State Income & Related Aggregates in 1981 (cf para 5).

4. The 2nd Joint Meeting of the Advisory Committee on Collection of Data on National Income and on Compilation and Analysis of National Accounts held at New Delhi in January, 1971 as also the Working Group on State Income in its 15th Meeting also held in January, 1971 recommended that a High Level Committee should be set up to suggest what system of accounts should be prepared at the State Level. In pursuance of the above recommendations a Committee on Regional Accounts (RAC) was appointed by the Government in May, 1972 with the following functions:

- (a) to consider and advise on the levels (State, district or other regions) at which accounts should be prepared;
- (b) to devise a system of regional accounts and standard supporting and supplementary tables for adoption by all the States;
- (c) to suggest measures for building up regional accounts in the country taking into consideration the availability of data and requirements of Central and State Governments; and
- (d) to examine the concepts, definitions and classifications for preparation of regional accounts and to lay down guidelines.

The RAC in its first report submitted in November, 1974 recommended a standard set of tables alongwith some descriptive material on the tables, as well as notes on scope, coverage etc. The final report of RAC submitted in September, 1976 recommended a System of Regional Accounts (SRA) and also gave broad guidelines for preparation of state income at current and constant prices for all sectors. The guidelines are considered sufficient and detailed and at the same time allow enough flexibility in preparing the estimates on the basis of available data at State level.

5. The Technical Working Group for Improvement of Data Base for State Income & Related Aggregates (TWG) was set up in July, 1981 with representatives from States, Central Ministries, RBI, Gokhale Institute of Policies & Economics,

Indian Institute of Statistics, Economy and Indian Agricultural Statistics Research Institute. The functions of the Technical Working Group are:

- (i) to examine the recommendations of the Regional Accounts Committee for improvements for state income and related aggregates,
- (ii) to make recommendations regarding sample surveys, ad-hoc surveys and technical studies to be undertaken at local level for data improvement referred to at (i) above; and
- (iii) to advise on the approaches and methods to be followed in case of special problems referred to the TWG from time to time.

6. The TWG reviewed afresh the recommendations of the RAC and the problems of implementation by the State Governments. The suggestions put forward by the SSBs for additional data collection/tabulation have been considered. Need for early processing of data at state level particularly the data thrown up by the follow-up surveys of economic census has been stressed. The TWG felt that the already available data on inputs and by-products may be scanned and used by SSBs to replace outdated norms. The TWG also felt that the type studies may be undertaken by the SSBs where current data are not available. The TWG set up a Sub-Group on State Gross Domestic Product and Expenditure Account in June, 1982 with the representatives from State Governments and Central Ministries. The Sub-Group held four meetings and has examined the feasibility of preparing the state gross domestic product and expenditure account. The report of the Sub-Group is under finalisation and will be placed before the TWG for consideration.

7. As a result of the continuing deliberations of the Working Group on State Income, RAC, TWG and Sub-Group on State Gross Domestic Product and Expenditure Account, a good degree of uniformity in concepts and methodology has been achieved in the estimates being prepared by the SSBs. However, owing to differences in the source material used, data availability and the extent of statistical development achieved, the estimates

of various States and Union Territories are not strictly comparable. Moreover even for a State/Union Territory, the estimates relating to the period 1960-61 to 1969-70 are not strictly comparable to the series from 1970-71 onwards due to change of base year for the constant price series, modification in the estimation procedure necessitated by availability of fresh data, use of broad methodology recommended by the RAC and the use of National Industrial Classification, 1970 (NIC) in place of Standard Industrial Classification, 1960 (SIC). Non comparability of the series from 1960-61 to 1969-70 with the series of 1970-71 onwards has been specifically highlighted by the States of Haryana, Assam & West Bengal.

8. The different States/Union Territories are preparing the estimates of net state domestic product at factor cost by industry of origin following the same classification of the industries for which estimates are prepared at the national level. However, the classification of the industries for the States of Assam, Bihar, and Tripura for the period 1960-61 to 1969-70 is not the same as used at the national level. Accordingly the estimates for the States of Assam & Tripura for the period 1960-61 to 1969-70 have been presented as made available by the respective SSBs. The estimates of Bihar could, however, be combined into the standard classification used by other States and at the national level with the exception of water supply which is included in other services for want of separate estimates. For Tamilnadu, Jammu & Kashmir, Manipur, W. Bengal and Delhi for the period 1960-61 to 1969-70, the estimates of storage are included in trade, hotels and restaurants and the break-up of transport and communication is not separately available.

9. The activities of some of the industries i.e. Railways, Communication, Banking & Insurance and Central Government Administration are spread over more than one State. These industries are termed as Supra Regional Sectors. The estimates of SDP in these sectors are generally not prepared by the

respective SSBs. As recommended by the Working Group on State Income and RAC, the estimates of these sectors are prepared by CSO and are adopted by the State Governments for preparation of their state income estimates.

10. Estimates of state income can be conceptually prepared by adopting two approaches namely income originating and income accruing. In the first approach the measurement corresponds to income originating due to factors of production physically located within the geographical boundaries of a State and represent the value of goods and services produced within a State. The second approach relates to the income accruing to the normal residents of a State and corresponds to concepts of net national product at the national level. However, due to non-availability of data on flow of factor incomes, the Working Group as well as RAC felt that these estimates be prepared by the income originating approach only.

11. The estimates at constant prices presented here for various States/Union Territories for the period 1960-61 to 1969-70 have as the price base year 1960-61 except for the State of Assam which has adopted the base year 1948-49 while the States of Andhra Pradesh, Madhya Pradesh, Orissa and Uttar Pradesh have the base year 1970-71. For the year 1970-71 onwards, however, the base year is uniformly the same (1970-71) in respect of all States/Union Territories.

12- As may be seen, the CSO has been coordinating the work on preparation & improvement of state income and regional accounts. The CSO has published total and per capita estimates of SDP in the August, 1978 and June, 1979 issues of the Monthly Abstract of Statistics (MAS). Mention may also be made of a note - Status of State Income Estimates published in the October, 1980 issue of MAS which presented briefly the problems of state income estimation vis-a-vis the methodology of estimation. The article also presented statewise percentage distribution of S.D.P. estimates for 5 broad sectors viz. Primary, Secondary, Transport, Finance and Services for selected years between the period 1960-61 to 1974-78 and per capita estimates at current and constant prices and annual growth rates.

13. The RBI has also been collecting the estimates of SDP from the respective SSBs and has published these estimates at the industry level in the various issues of their monthly Bulletin. The estimates for 1960-61 to 1974-75; 1975-76 to 1977-78 and 1970-71 to 1978-79 have been published respectively in April, 1979, June, 1979 and September, 1981 issues of the RBI Bulletin. The estimates published by RBI at the industry level, however, do not give the break-up of manufacturing into manufacturing-registered and manufacturing-unregistered and transport, storage and communication into railways, communication and transport by other means and storage. Also the estimates published by RBI are upto 1978-79 and have undergone revisions for most of the States and as such do not give the latest position. The present publication, as mentioned earlier, presents the latest estimates for the available State/Union Territories right from 1960-61 to 1982-83 both at current and constant prices.

14. As stated above the estimates prepared and released by the SSBs are not strictly comparable among States and also with all India estimates prepared by the CSO. For the use of the policy purpose by the Planning Commission and the Finance Commission the CSO has been preparing a series of comparable estimates of state domestic product at current prices at the specific request of these Commissions. These estimates have been prepared at different point of time for the period 1962-63 to 1964-65, 1967-68 to 1969-70, 1970-71 to 1975-76, 1976-77 to 1977-78, 1978-79 and 1979-80. These are now prepared on a regular basis at the specific request of the Planning Commission. The comparable estimates of per capita SDP prior to 1970 have been published by the Finance Commission in their reports. However, these estimates from 1970-71 onwards at the industry level and per capita are being published regularly by the CSO. The estimates from 1970-71 to 1975-76 were published in the National Accounts Statistics, January, 1979 and for the subsequent years these are being published in the MAS as and when prepared. The latest estimates for 1979-80 made available to the Planning Commission and eighth Finance Commission have been brought out in the April issue of MAS, 1984.

15. It may be pointed out that while the comparable estimates for the individual years are comparable over the States yet the comparability may not extend over time. The comparable estimates prepared for each period/year, on the basis of latest data at the time of their preparation, are not revised even though fresh data might have become available in the course of time as these estimates have already served the intended purposes.
